**FIRST AMENDMENT TO THE DECLARATION OF COVENANTS,
CONDITIONS AND RESTRICTIONS OF INDIAN LAKE GARDEN HOMES**

THIS FIRST AMENDMENT to the Declaration of Covenants, Conditions and Restrictions of Indian Lake Garden Homes is made as of the date set forth hereinbelow by the undersigned present owners ("Owners") of the lots described on Exhibit "A" to the Declaration of Covenants, Conditions and Restrictions of Indian Lake Garden Homes ("Declaration") as recorded in Deed Book 1081, at Pages 311 through 341 in the Probate Office of Tuscaloosa County, Alabama.

R-E-C-I-T-A-L-S:

The undersigned Owners represent the Owners of more than seventy-five (75%) percent of all of the lots contained in the subdivision described in Exhibit "A" to the Declaration who, pursuant to Article XII, Section 6 of the said Declaration described hereinabove now desire to amend the said Declaration in the manner hereinafter set forth.

This Amendment to the said Declaration was discussed at the meeting of the membership of Indian Lake Garden Homes Owners Association, Inc. after due and proper notice had been given to each member of the said Association and the undersigned Owners own at least seventy-five (75%) percent of the twenty-three (23) lots in Indian Lake Garden Homes, this being the requirement for an amendment to the said Declaration. Pursuant to Article III, Section 2 of the said Declaration, each person signing hereinbelow as an Owner hereby warrants and represents unto the Association that he is the properly designated person to execute this instrument for and on behalf of the Owner or Owners of the respective lots subject to the Declaration.

NOW, THEREFORE, the undersigned Owners do hereby amend the Declaration of Covenants, Conditions and Restrictions of Indian Lake Garden Homes in the following manner:

FIRST AMENDMENT TO THE DECLARATION

ARTICLE VI

MAINTENANCE

Article VI, Sections 1 and 2 are hereby amended, in entirety, so that Article VI of the Declaration now reads as follows:

Section 1. Owner Maintenance. All maintenance, care, replacement, and repair of the improvements on each Lot shall be the sole responsibility of the Owner of each unit, except as stated in Section 2 below. The items that Owners must maintain and repair include the interior of each building, and the exterior portions of the individual units, which shall include, without limitations, all grounds and landscaping located behind the front fences including trees, shrubs and the yard which must be regularly cut, watered, and fertilized. Also included are the siding, brick, roofs, gutters, downspouts, patios, screens, doors, windows, hardware, light fixtures, utility meters, electrical panels, all plumbing, mailbox, street light fixtures, exterior illumination devices, storage or out buildings, and heating and air conditioning equipment for each unit. In the event that any of these items is not maintained, cared for, or repaired by the Lot Owner in accordance with the rules and regulations established by the Board of Directors of the Association, then the Board is hereby granted an easement and the right to come upon the Lot and perform such maintenance or repair as is necessary and assess the Owner for the cost of such maintenance or repair. Any such Assessment shall be made in accordance with the rules and regulations promulgated by the Board and shall constitute a lien against the Lot as provided in Article IV. The Association and its authorized agents or employees shall have the right to occasionally use water from the exterior plumbing connections on each unit for the purpose of irrigating and otherwise maintaining or repairing the lawn, trees, shrubs, flowers, and the existing natural vegetation in the Common Area.

Section 2. Maintenance by Association. The Association shall provide for the cleaning and painting of the exterior of the buildings and improvements on each Lot. Cleaning and painting shall occur on a scheduled basis. The necessity for cleaning and painting shall be evaluated at a minimum of every four years by the Board of Directors of the Association. The Association shall provide all maintenance, care, replacement, repair, cleaning, and painting of all fences. This is to include the front fences and front gate, as well as the fences located between and behind the individual units. Requests for maintenance, care, replacement, repair, cleaning, or painting of fences by individual unit Owners will be referred to the Board of Directors of the Association, two of whom will approve or deny action on the request within two weeks of the request. The Association shall maintain the common areas included in the Article 1 Section 4 definition of Common Area. In addition, the Association shall maintain, repair, or replace those parts of the sprinkler system that are attached to the individual units. The cost of this maintenance by the Association shall be included in the annual budget of the Association which will establish reserve accounts to provide adequate funds to pay for this work. The Association shall, in the event that the need for maintenance or repair of these areas is caused through the willful or negligent act of

the Owner, his family, tenants, guests, or invitees, charge the cost of such maintenance and repair to the responsible Owner and such costs shall be added to and become a part of the Assessment to which such Lot is subject. In order for the Association to perform the work required of it by this Section 2 of Article VI, the Association and its agents or employees shall have the right, after reasonable notice to the Owner, to enter upon any Lot or the exterior of any Unit at any reasonable hour. In order to maintain the areas included in the Article I, Section 4 definition of the Common Area, the Declarant has granted to the Association a perpetual easement over these areas for the maintenance required by this Article.

IN WITNESS WHEREOF, the undersigned persons who may sign this document in counterparts for assembly into a single, recorded document, are the Owners of the Lots hereinafter set forth beside their respective signatures which each has made as of the 15th day of
